

# Call Me When You're Sober Tab by Evanescence

Difficulty: intermediate

Tuning: D A D G B E

I don't have rhythms (I can never spell that word right) because I haven't listened to that much. But you can figure them out on your own! You're smart kids!

[I've edited this tab with the right tapping riff. It's perfect now, so don't argue. this song IS in drop D, not drop Db. Use your ears. It's the only song on the album in Drop D]
