(Like I said, the rhythm isn't correct in here, just listen to the song and work it out,
it's easy)

[Verse 1]

When i pretend
Everything is what i want it to be
I look exactly like what you had always wanted to see

When i pretend
I can forget about the criminal i am
Stealing second after second just cause i know i can / but
I can't pretend this is the way it will stay / i'm just
Trying to bend the truth
I can't pretend i'm who you want me to be
So i'm
Lying my way from you

[Hook]
(no / no turning back now)
I wanna be pushed aside
So let me go
[no / no turning back now]
Let me take back my life
I'd rather be all alone
[no turning back now]
Anywhere on my own
Cause i can see
(no / no turning back now)
The very worst part of you
Is me

[Verse 2]
I remember what they taught to me
Remember condescending talk of who i ought to be
Remember listening to all of that and this again
So i pretended up a person who was fitting in
And now you think this person really is me and i'm
[trying to bend the truth]
But the more i push
The more i'm pulling away
'cause i'm
Lying my way from you

[Bridge]
This isn't what i wanted to be
I never thought that what i said
Would have you running from me
Like this
The very worst part of you
The very worst part of you
Is me
