

# The Catalyst Tab by Linkin Park

Tuning: D A D G B E

---

Artist: Linkin Park  
Song: The Catalyst  
Album: A Thousand Suns

Drop D  
D-A-D-G-B-e

Great song.

Guitar starts at around 2:00

Update: Thanks to sguitar i fixed some of the chords.

UPDATE: After listening to the the song more carefully I fixed all the parts  
and changed the tuning back to drop D.

Guitar starts at around 2:00

(2:00-2:12)

```

| D |                                                 |
| A | -33333333/55555555/77777777/8-8-8-8-/10101010-- |
| D |                                                 |

|   |                                              |
|---|----------------------------------------------|
| E | -----                                        |
| B | -----                                        |
| G | -1414141414141414141414141414141414141414~-- |
| D | -----                                        |
| A | -1212121212121212121212121212121212121212~-- |
| D | -----                                        |

(4:21-4:58)

Only chord you play is:

```
e|-----|
B|-----|
G|--14~-|   Hold on final note.
D|-----|
A|--12~-|
D|-----|
```

The End.

Once again it's a great song and if you have any questions message me here on ultimate guitar.
