```

CHORDS-Guitar 2

Intro

Bm G D A

Verse 1

```

           Bm                G
Just one more moment, thats all thats needed
           D                A
Like wounded soldiers in need of healing
           Bm                G
Time to be honest, this time Im pleading
           D                A
Please dont dwell on it, cause I didnt mean it

```

Pre Chorus

```

Em                G                D                A
I cant believe I said Id lay our love on the ground
Em                G                D                A                Em

```

But it doesnt matter cause Ive made it up, forgive me now

G D A

Every day I spend away my souls inside out

Em G D A

Gotta be some way that I can make it up to you now, somehow

By now you'd know that

Chorus

D Bm

Id come for you

A G A

No one but you, yes Id come for you, but only if you told me to

D Bm

And Id fight for you, Id lie, its true

A F

Give my life for you

G

You know Id always come for you

Interlude 1

D Bm A F G D

Verse 2

Bm G

I was blindfolded, but now Im seeing

D A

My mind was closing, now Im believing

Pre Chorus

Em G D A

I finally know just what it means to let someone in

Em G D A Em

To see the side of me that no one does or ever will

G D A

So if youre ever lost and find yourself all alone

Em G D A

Id search forever just to bring you home, here and now, this I vow

By now you know that

Chorus

D Bm

Id come for you

A G A

No one but you, yes Id come for you, but only if you told me to

D Bm

And Id fight for you, Id lie, its true

A F

Give my life for you

G

You know Id always come for you

Bridge

B C
You know Id always come for you
D Bm A
No matter what gets in my way, as long as theres still life in me
 F G
No matter what remember, you know Ill always come for you
D Bm A
Yes Id come for you, no one but you
 G
Yes Id come for you, but only if you told me to

Chorus

D Bm A
And Id fight for you, Id lie, its true

Give my life for you
F G
You know Ill always come for you
D Bm A
No matter what gets in my way, as long as theres still life in me
 F G
No matter what remember, you know I'll always come for you
D Bm A
Id crawl across this world for you, do anything you want me to
 F G
No matter what remember you know Ill always come for you
Bm C D5
You know Ill always come for you.
