[Chorus]

(same chords as 1st chorus)

She lies and says she's in love with him
 Can't find a better man
 She dreams in color, she dreams in red
 Can't find a better man
 She lies and says she still loves him
 Can't find a better man
 She dreams in color, she dreams in red
 Can't find a better man
 Can't find a better man
 Can't find a better man

(The rest of the song has the same chord progression as the chorus)

She loved him, yeah..
 She don't want to leave this way
 She feeds him, yeah..
 That's why she'll be back again
 Can't find a better man
 Can't find a better man
 Can't find a better man
 Can't find a better man
