

Just Breathe Tab by Pearl Jam

Difficulty: intermediate

Tuning: E A D G B E

Key: C

OK so forgive me - this is my first tab, but I thought I'd give it a shot because I think I've got this song right - at least the first bit - I'll update with the chorus section later.

EDIT: Chorus and bridge section now added

This song is from the new album that was released today - It's a beautiful acoustic song.

Played in EADGBE

For those of you who know the song Tuolumne by Eddie Vedder, you'll recognize the guitar:

What an awesome album, too.

Hope it's not too off what the actual playing is...
