A couple of people have said they've seen PJ play this live and it's in standard tuning. I've also been told that the opening riff is played at the 5th fret so I've tried to figure it out there, I hope it sounds OK.

Anyone want to have a go at the solos?

```

Verse 1:

Watched out the window with a red mosquito
 I was not allowed to leave the room
 I saw the sun go down and now it's coming up
 Somewhere in the time between

Chorus:

I was bitten
 must have been the devil
 He was just paying me

A little visit
 Reminded me of his presense
 Letting me know

He's waiting

Intro riff x4

Verse 2:

Red man's your neighbor call it behavior
While you're climbing up slippery hills
Two steps ahead of him punctures in your neck
hovering just above your bed hovering just above your bed

Chorus

Intro riff x 8

Chorus riff (first bar only) x 8 out
