Before Chris starts to sing, play this...

```
e:-----|
B:---7-7-7--7-7--7--7--8-8-7-7----7-7-7--7-7--7--8--8-7-|

A:-----|
E:-----|
```

and keep playing it when he starts to sing :

[Verse]

Cheat the odds that made you
Brave to try to gamble at times
Well I feel like dirty laundry
Sending sickness on down the line
Tell you why, 'cause I'm

When the chorus starts, play this :

```
e:-----|
B:---7--8-8-7--5-5-7-7--4-4-7-7--0-0-1-1-0--|
G:---7--7-7-7--5-5-7-7--4-4-7-7--0-0-0-0-0--|
D:---7--9-9-7--5-5-7-7--4-4-7-7--0-0-2-2-0--|
A:-----|
E:-----|
```

and sing this :

Jealous, jealous again
Thought it time I let you in
Yeah, I'm jealous, jealous again
Got no time, baby

[Verse 2]

(Play the same lick as verse 1)

Always drunk on Sunday

Try'n to feel like I'm at home
Smell the gasoline burning
Boys out feeling nervous and cold

REPEAT CHORUS

After the second chorus, there's a break that sounds a bit like this :

[BREAK]

```
e:-----|
B:-----1-----1-----1-----1-----|
G:-----0-----0-----0-----0-----0|
D:---0h2-----0h2-----2p0---0-----0h2-----0h2-----|
A:-----0-2-----2p0-----0-2-----0-2-|
E:-----3-----|
```

Stop, understand me
I ain't afraid of losing face
Stop, understand me
I ain't afraid of ever losing faith in you

Here's a small piano-solo, accompanied by the same lick as in the verses,
followed by verse 3 (again the same lick).

Never felt like smiling
Sugar wanna' kill me yet
Find me loose lipped and laughing
Singing songs ain't got no regrets

REPEAT CHORUS

[Break] : (Same as before)

Stop, understand me
I ain't afraid of losing face
Stop, understand me
I ain't afraid of ever losing faith in you

Now there's a break where just Rich is playing :
Keep repeating this :

BREAK

```
e:-----|
B:-----|
G:---9/11-11-11-9-7-7-7-----|
D:-----|
A:-----|
E:-----|
```

..and sing this :

Don't you think I want to
Don't you think I would
Don't you think I'd tell you baby
If I only could
Am I acting crazy
Am I just too proud

Am I just plain lazy
Am I, Am I, Am I, ever

REPEAT CHORUS TWICE

then again this (without lyrics this time):

[BREAK]

```
e:-----|

D:---0h2---0h2---2p0---0---0h2---0h2---|
